2 September 1952

Mr. Richard D. Marriott
Head, BBC Monitoring Service
Caversham Park
Reading, England

Dear Marriott:

Thank you for your letter of 26 August 1952 concerning the
STAT forthcoming visit of [redacted] to Cyprus. I am sure the staff
members of your Cyprus station will be only too happy to see and
talk to someone who really uses their product. Normally they only
STAT see the middle men like you and me. [redacted] visit will no
doubt give them a sense of importance in their work and will even
more than help constitute a morale booster.

Sincerely,

[redacted] STAT
